

IATF 16949:2016 All in One Certification Package

[Included Contents](#) ([Link to website for more details](#))

Planning

[Gap Analysis Checklist](#)

A detailed, 99 page checklist (MS Word) with guidance on what to look for to evaluate your current processes and their compliance to the IATF 16949:2016 Requirements.

Training

[Risk Management Exercise](#)

Analyze the risks associated with your operations.

Uses an 8-column risk management worksheet that helps you determine the risks in your processes.

[Requirements of IATF 16949:2016 PPT Presentation Materials](#)

Use these presentation materials to educate management, employees, customer or other groups on IATF 16949:2016 standard. This package includes 160 PowerPoint slides with speaker notes, quizzes and a Trainer's Guide.

[Computer-based Employee Training](#)

Use this training to educate employees on IATF 16949:2016. IATF 16949 requires the organization to "ensure that its personnel are aware of the relevance and importance of their activities and how they contribute to the achievement of the quality objectives". This course is intended for ALL of the employees in an organization so they understand the importance of IATF 16949 and their role in meeting the requirements.

This online computer-based training runs approximately 35 minutes. The training includes slides, audio, quizzes, and a certificate of completion. It is also available in Spanish.

[Set of 15 Employee Newsletters](#)

Keep your employees informed and involved in the implementation of IATF 16949:2016 in your organization.

Internal Audit Program

[Internal Audit Checklist, Procedure, Forms, and PowerPoint presentation](#)

This complete Internal Audit Checklist & Tools Package provides everything you need to establish your Internal Audit Process. Includes Checklist, planning & reporting forms, and a PowerPoint on the basics of Auditing.

[Internal Auditor Training Materials](#)

Conduct thorough training for your internal auditors. This package includes PowerPoint presentations, Student Manual, Trainers Guide, Exercises and a set of documentation for trainees to audit.

IATF 16949:2016 Documentation (Quality Manual, Procedures, Forms, Flowcharts)

[Required Documentation Templates](#)

A full documented IATF 16949:2016 Quality Manual for organizations to use as an example and template for their own. Written in MS Word for easy customization.

[Procedures, Forms & Flowcharts](#)

Ready to customize, fully written procedures to be used as a foundation and a template for your quality system.
